DUET

Plant Pat. No. 1903

All-America 1961

wholesale rose catalog

The best plants in the Best P

Item No. 100
**TROPHY
EXTRA HEAVY
JUMBO ROSE**

4 or more strong canes

22 inches long before pruning

A Texas giant-size rose plant in giant-size gold foil bag with giant 6 x 9 natural color label.

Packed 12 per case

Approx. Wt. per ctn., 45 lbs.

Item No. 150
**CHEVY CHASE
PATENTED**

Available in No. 1 and/or No. 1½ grade packaged in coral foil with 5 x 7 natural color label.

**Approx. Wt. per package, 2½ lbs.
For Bare Root Patented Prices
See Insert**

Item No. 10
**CHEVY CHASE
Heavy No. 1**

3 or more strong canes

18 inches long before pruning

Colorful coral foil bag with 5 x 7 natural color label makes this package tops with its top quality plant.

Packed 25 per case

Approx. Wt. per ctn., 55 lbs.

All packages, except Red Ribbon Special, are of Alcoa foil for better packaging and added sales appeal. All are wrapped in polyethylene-coated paper. The packing material is Pith-o-cane, a mulch material which has been especially ground to hold the moisture and make a firm package.

LONE STAR'S ROSES

BARE ROOT AND PACKAGED

WHOLESALE LIST: SEASON 1960-61

Prices, Conditions and Complete Ordering Information

Terms of Sale:

30 days net to customers of established credit, otherwise 25% deposit with order, balance C.O.D.

Claims:

Claims for damaged, shortage or variance in grade should be made within 5 days after delivery.

Guarantee:

All roses are guaranteed to be true to name, grade and color. We do not guarantee our bushes to live but do guarantee them to be alive and in good condition when shipped.

Delivery:

Shipment will start October 1st and continue through April 15th. Our own modern cold storage will keep the plants in excellent condition for the necessary late deliveries.

Volume Shipments:

On volume shipments of truck loads or more call LYric 4-4704, or write for special prices and delivery rates.

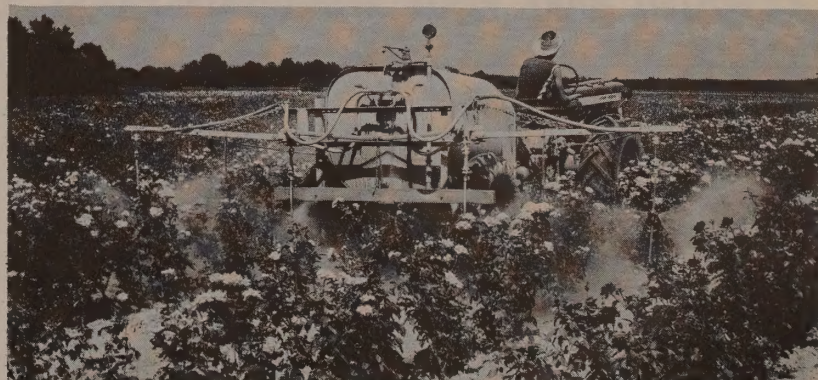

Budding Contracts:

We solicit your budding contracts on large or small quantities of patented and standard varieties.

Our Facilities Are Adequate to Serve You. 80,000 Cubic Feet of Refrigerated Storage.

Over 1,000,000 roses budded annually. Irrigated to help nature provide ample moisture. Over 30 years' experience in rose growing.

Participating in the research program in spraying with manzate to provide the finest roses grown in America.

Packaged Roses

ORDERS FILLED BY ASSORTMENT

Each order will be filled with varieties of all colors best suited for your area. If special varieties are ordered. Add 5¢ per bush and do not order less than 10 of a variety.

Finest Quality **ROSES**

TOP GRADE AND FIELD FRESH

LONE STAR'S ROSES will compete or out perform roses grown elsewhere. They have been carefully cultivated and irrigated to help nature provide ample moisture. Mazate sprayed for control of Blackspot. This assures you and your customers of a more vigorous root system and healthy green top. Our plants are strictly graded and are stored in the finest cold storage for the necessary late deliveries.

Over 165 varieties from which to choose in patented and non-patented plants.

WE HELP YOU SELL ROSES!!!

Sales aids, wall and window banners, newspaper mats and natural color labels of each variety ordered are yours for the asking.
